and PC

Essential services

Thank you!

Recommendations:

Enforce the access to water and sanitation for everyone.

Mitigate the regressive impacts of ETS2 on low-income households.

Ensure digital access for everyone and foster digital inclusion.

Ensure access to financial services and enhance financial literacy skills.

Address transport poverty in the context of the green and just transition.

INCREASING POLITICAL IMPORTANCE

Anticipation/ preparation/ now
(report + commissionerS)

1

CIVILIAN AND DEFENCE PREPAREDNESS

Should we continue work on this front?

Is there a specific angle you think we
should pursue?

2

MEMBERS' ENGAGEMENT

Diversity:
Finland/Denmark/Germany/Hungary/Czech
Republic

NEXT STEPS

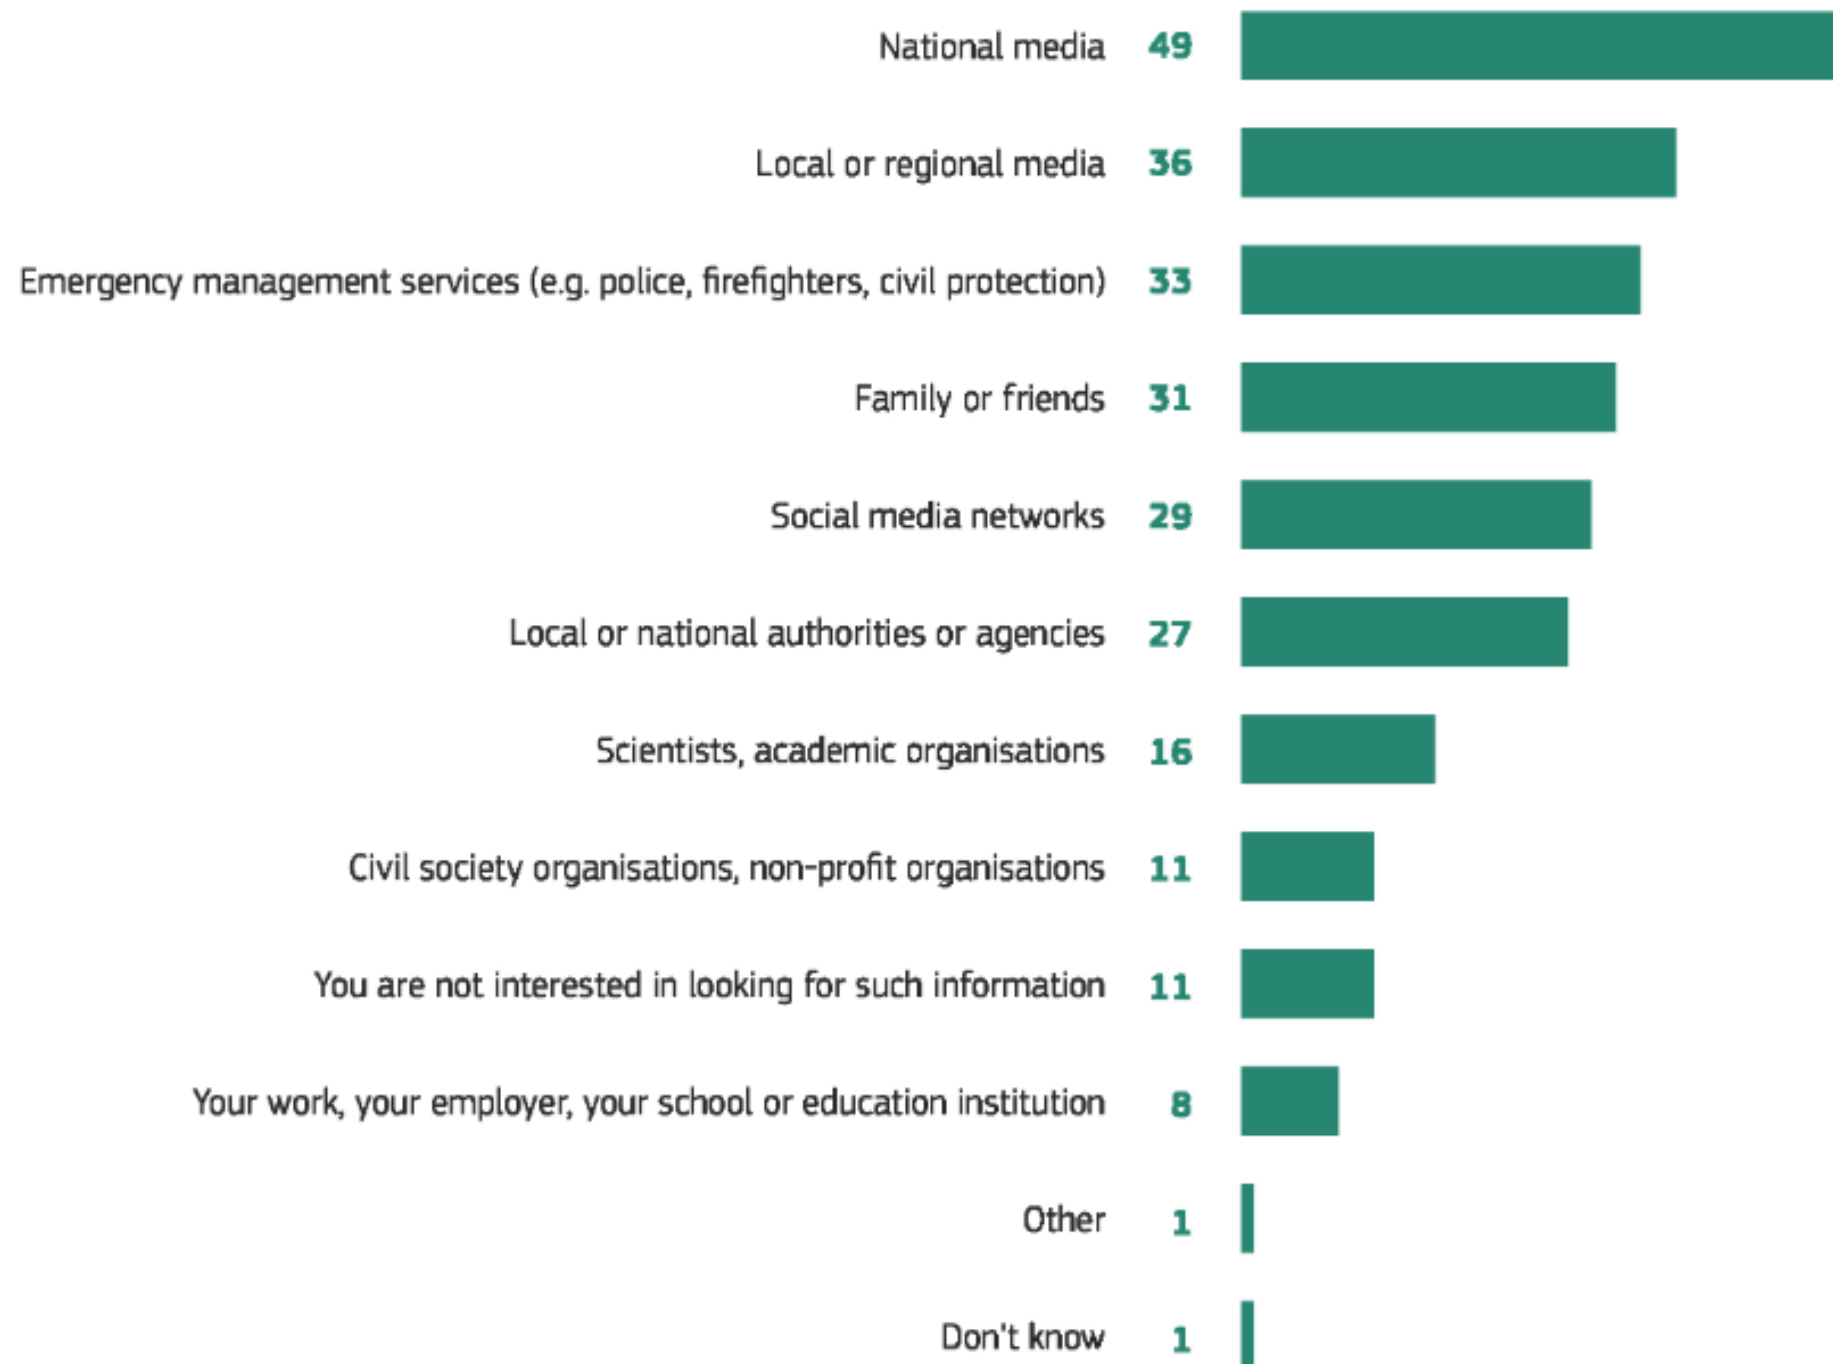

Not our core business, but fast changing context

3

Special Eurobarometer on Disaster risk awareness and preparedness of the EU population No 547

QC4ab. What sources of information would you use if you wanted to learn about disaster risks?

QC9. In the first few days following a disaster, indicate how much you would expect to rely on each of the following to help you cope with the situation.
